OUR DECLARATION OF PRINCIPLES

We believe that in essentials there is unity, in non-essentials liberty, and in all things charity.

We affirm that, "An honest man is the noblest work of God."

We scorn not to receive instruction from the humblest object that offers us its lesson.

We believe that a man's life consisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

The highest object of our Order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of Agriculture we mutually resolve to labor for the good of our Order, our Country and Mankind.

I Know Something Good About You

Wouldn't this old world be better
If the folks we meet would say,
"I know something good about you!"
And then treat us just that way?

Wouldn't it be fine and dandy,
If each handclasp warm and true
Carried with it this assurance
"I know something good about you"?

Wouldn't life be lots more happy,
If the good that's in us all
Were the only thing about us
That folks bothered to recall?

Wouldn't life be lots more happy,
If we praised the good we see?—
For there's such a lot of goodness
In the worst of you and me.

Wouldn't it be nice to practice
That fine way of thinking, too?—
You know something good about me!
"I know something good about you!"

Anon.

THIS!**

Mrs. Alexander Bradley of Danbury, Conn., says: "After 14 Long Years trying different remedies I have at last found good medicine.

Dr. True's Elixir

I was nearly discouraged. I was giving my oldest girl something every night but now I keep a bottle of **Dr. True's Elixir** handy and only give it occasionally. I have tried so many things—but now as soon as I see signs of worms, I give **Dr. True's Elixir.**"

THE TRUE FAMILY LAXATIVE For Quick Relief

Straight Ahead
for over
Seventy-Seven
Years

Think back for a moment and consider all the depressions that have taken place in this country and in this community since this bank was organized in 1855. It will help to give you a better idea of the solidness and permanence of this time-tested institution.

In every respect this is a safe and dependable place to bank.
